Acceptable Use Policy

Document ID: AI-AUP-001
Version: 1.0
Effective Date: February 2026
Classification: Public

---

1. Purpose

This Acceptable Use Policy governs user interaction with Clarity AI Lab AI systems.

---

2. Prohibited Uses

Users may not use Clarity AI Lab systems to:

- Generate illegal content
- Facilitate fraud or trade evasion
- Create deceptive documentation
- Bypass regulatory requirements
- Harass, exploit, or harm minors
- Attempt to reverse-engineer the system
- Submit sensitive personal data unnecessarily
- Upload confidential third-party information without authorization

---

3. Educational Safeguards

For Studio Clarté:

- Student data should only be submitted by authorized adults
- The tool must not be used for psychological or diagnostic assessment
- AI outputs should not be treated as educational determinations

---

4. Trade & Procurement Safeguards

For Maimai Supply:

- Outputs must not be submitted to customs authorities without review

- Users remain responsible for regulatory compliance
- AI outputs are advisory only

---

5. Enforcement

Clarity AI Lab reserves the right to:

- Suspend accounts for misuse
- Restrict access
- Report unlawful activity

---

6. Reporting Misuse

Users may report misuse to:

ClarityAILab@BuildResil.com
