Automated Decision Making (ADM) Directive Non-Applicability Positioning Statement

Document ID: ADM-001
Version: 1.0
Effective Date: February 2026

Classification: Public

---

1. Purpose

This statement clarifies the applicability of the Treasury Board of Canada Secretariat Directive on Automated Decision-Making to Clarity AI Lab AI systems.

---

2. System Characteristics

Clarity AI Lab systems:

- Do not autonomously make decisions
- Do not execute binding determinations
- Do not directly alter legal rights
- Do not autonomously exclude suppliers or individuals
- Require human verification prior to submission or operational use
- Do not automate eligibility decisions for public programs

---

3. Positioning

Accordingly, Clarity AI Lab systems are classified as **decision-support tools**, not Automated Decision Systems under the Directive.

---

4. Departmental Responsibility

Where Clarity AI Lab systems are deployed within federal workflows, the responsible department retains responsibility for conducting any required Algorithmic Impact Assessment (AIA).
