Vulnerability Disclosure & Responsible Security Reporting Policy

Document ID: SEC-002
Version: 1.0
Effective Date: February 2026
Classification: Public

---

1. Purpose

To provide a safe channel for reporting security vulnerabilities.

---

2. Reporting Channel

AIClarityLab@buildresil.com

---

3. Safe Harbor

Clarity AI Lab will not pursue legal action against good-faith security researchers who:

- Avoid data exfiltration
- Avoid service disruption
- Report findings responsibly

---

4. Response Timeline

- Acknowledge within 3 business days
- Triage within 7 business days
- Mitigation timeline based on severity

---

5. Disclosure Coordination

Public disclosure may occur after remediation and coordination.
